The ePad is great! No more visits to the copy machine or the mailbox. No more licking stamps and sealing envelopes. No more missing signatures.—*Brad*

Agents are missing out if they are not offering Simple Term on every new and existing client. Hook up the e-signature pad and start writing!—*John*

Two minutes—that's how long underwriting took with Simple Term Life.—*Todd*

It is SO easy! I just completed two Life apps using the ePad. It was actually pretty cool to hand the customer the ePad and get only one signature!—*Ron*

Selling Simple Term is a very 'simple' process because you are entering information into the computer and not down on paper. I actually turned my monitor toward my customer so they could follow along. They seemed to enjoy it!—*Matt*

I completed a Simple Term application in the parking lot on the trunk of my car, with the ePad and wireless technology.—*Melinda*

I wrote a Simple Term today and it was approved in minutes.—*Erika*
